VENHANS at a glance:

VENHANS stands for **VET European Networking Enhancement** and is a project funded under the Erasmus+ programme, Key Action 3 – Support for Policy Reform - Networks and Partnerships of Vocational Education and Training (VET) providers.

In this framework, VENHANS **aims** to help VET4EU2 and the project partners to:

- Increase their representativeness at national/regional level, expanding memberships and stimulating VET networking;
- Enhance the cooperation between the VET4EU2 network, also to support decision makers in the VET policies development and deployment in all EU member states;
- Promote a quality improvement in VET provision, propagating the concept of excellence and benchmarking and sharing best VET learning tools and practices.
